

## Christophoruswerk

Lingen

Completion 11/2014

Client: Christophorus-Werk  
Lingen e.V.  
Cost: 600.000 €  
Area: 4.000 sqm  
Service Phases: Lph 1 - 9  
Duration: 10/2013 - 10/2014

The project consisted of remodeling the outdoor facilities of the Christopher-Werk. It is a facility and competence center, catered for individuals with disabilities, that undertakes various cases of rehabilitation, integration, and inclusion. The open square area serves as a market place and event venue. A uniform surface with perennial beds and tree locations was created. Central elements are the red seating furniture and the renovated fountain.
